

FULL STACK DEVELOPER – MERN STACK

EDUCATION

Master of Business Administration
SRM Valliammai Engineering College Chennai, INDIA

Bachelor of Science – Computer Science
Vels College of Science College Chennai, INDIA

MAY 2012

PROFILE SUMMARY

With a Full Stack Software Development Program certification, I possess strong skills in JavaScript, HTML/CSS, and React.js, Node.js. My internship sharpened my analytical ability, communication, and team management skills. A go-getter with a knack for leadership, I bring stress management and negotiation skills to the table. I am a detail-oriented individual who adapts to handling complex tasks and collaborating with teams effectively. With a consistently high academic performance, I am eager to leverage my strengths in a challenging role within a forward-thinking organization.
